Connection to community

- 1 Celebrate diversity and promote inclusion.
- 2 Provide a flexible, grass roots approach that responds to unexpected changes.
- 3 Apply a community development approach across the organisation.
- 4 Provide opportunities to build individual and community capacity that create social capital.
- 5 Provide targeted prevention and support programs.

Progressive and planned growth

- 1 Strive to be an employer of choice that celebrates and promotes an inclusive and compassionate workforce.
- 2 Source funding and deliver services that meet community need and match organisational values.
- 3 Facilitate access to educational opportunities and professional development.
- 4 Diversify income streams and develop a market driven approach to service delivery.

Influence and leadership

- 1 Maintain a profile that influences direction of government funding and models of service provision.
- 2 Develop strategic partnerships at local, regional, state, and national levels.
- 3 Demonstrate dedication to quality outcomes and systems change.
- 4 Build the capacity of local communities to support vulnerable people.
