## VACATION CLUB PROGRAM Terms and Conditions

Our programming is based on the practices, principles and outcomes of **my time, our place**.

Spontaneous and self-initiated play is supported and encouraged throughout the day

This program is subject to change at the discretion of the daily supervisor.

Technology time is limited to a maximum of two hours a day except on programmed technology days.

### Please ensure that:

- Your child brings a healthy packed lunch, snacks, a water bottle, hat and spare clothes for the day. Remember that on cooking days, children will be making their own food to share. The service has a **no-hat-no-playing-outside** policy that will be adhered to at all times.

- Your child is wearing covered shoes. It is a workplace health and safety requirement that children wear covered shoes at our services for safe playing.
- No devices are to be brought to our services by children under any circumstances. We provide a wide range of fun and engaging activities for all children and there is no need for your child to bring a device for their own entertainment. If you want to contact your child during the day, you are welcome to call or SMS our service number and our staff will relay the message.

- In the case of swimming activities, your child wears a rash shirt over their swimmers, or a T-shirt in the absence of a rash shirt. No shirt = no swimming.
