## VACATION CLUB PROGRAM Terms and conditions

Our programming is based on the practices, principles and outcomes of **my time, our place**.

Spontaneous and self-initiated play is supported and encouraged throughout the day

This program is subject to change at the discretion of the daily supervisor.

Technology time is limited to a maximum of two hours a day except on programmed technology days.

### Please ensure that:

- You remember to pack food for you child's morning tea, lunch and afternoon tea. Remember that on cooking days, children will be making their own food to share.
- Your child has a hat and drink bottle each day of attendance. The service has a **no-hat-no-playing-outside** policy that will be adhered to at all times.
- Your child is wearing covered shoes. It is a WHS requirement that children wear covered shoes at the service for safe playing.

- We suggest that your child attends each day of our service with water play clothing (see water play checklist below) during the September/October, December/January and March/April holiday periods as we may facilitate unscheduled water play due to warm weather. Water play activities may vary due to water restrictions and weather.
- In the case of swimming activities, your child must wear a rash shirt over their swimmers, or a T-shirt in the absence of a rash shirt. No shirt = no swimming.

### Water play checklist!

1. Swimmers
  2. Rash shirt/T-shirt
  3. Hat
  4. Towel
  5. Change of clothes
- **In the case of excursions, your child is at the service 30 minutes before the designated departure time.** Excursions are compulsory, and our service is closed on those days.
